

## NORTHWEST / NORTHERN CALIFORNIA

# Pledge Process

ONYX is a leather fraternity for gay and bisexual Men of Color. Our mission is to EDUCATE, EXPLORE, and EMPOWER. We educate Men of Color about the leather/kink community, provide a safe space for exploration, and empower members to live their leather journey freely, safely, and happily.

At ONYX, we've developed a pledge process to help identify potential ONYX Men. These potential members must demonstrate their willingness to embrace a lifetime commitment to the principals of ONYX Northwest/NorCal. In order to show commitment, pledges must follow this pledge process, developed in compliance with our National Association's Bylaws and the Standard Chapter Articles of the Association. Pledges will be assessed based on their attendance, performance of service opportunities, knowledge of ONYX history, and demonstration of educational growth. This assessment will take place during a **pledge process** which spans 12-16 weeks. There are four stages of the pledge process: Pre-Pledge Requirements, Approval Process, Pledge Period, and Member Acceptance. After gaining Member Acceptance, the pledge is a member of ONYX and shall be given his "colors" (ONYX insignia) in a ceremony in accordance with the National Bylaws.

## Pre-Pledge Requirements

Prospective pledges must understand that we are a BDSM fraternity focused on leather, kink, fetish, and gear. Applicants **must** have a serious, demonstrable, and abiding interest in being an ONYX man. We seek those who would help us further our mission. The ideal pledge is already on his own journey of exploration and discovery. He has had some leather, kink, or fetish experiences and sees ONYX as an opportunity to further that journey.
